

UKG Dimensions Readiness Assessment

Key benefits

- **Identify readiness and opportunities** with an independent, expert review
- **Minimize organizational risk** with a detailed, comprehensive functional and technical solution
- **Develop a roadmap strategy** that aligns UKG Dimensions with your business objectives

Are you interested in migrating to UKG Dimensions?

You've decided to streamline your workforce management process and optimize your employee experience with UKG Dimensions™ (formerly Workforce Dimensions™). But what's next? How can you ensure you're prepared for deployment? Our UKG Dimensions Readiness Assessment is carefully designed to help your organization assess your overall readiness and best prepare you for a strong start with your UKG Dimensions solution.

UKG Services

Our UKG™ (Ultimate Kronos Group) Services team will guide you down the right path by identifying areas where you can apply technical and business process improvements. The team will then present an executive dashboard summary and a comprehensive report detailing these findings as well as actionable recommendations for migrating to your Workforce Dimensions solution.

Part checklist and part journey map, the recommendations within the report help you create an environment consisting of technical, business, and functional best practices to achieve the most successful migration possible. If you want to make sure you have a comprehensive review before making the move, we have the answer.

Don't go it alone

We want your company to realize the many benefits of UKG Dimensions, and UKG Services can help get you there. Using the experience we've gained helping thousands of organizations (like yours) migrate to new platforms as well as to the cloud, we'll partner with you to make sure you have a clear picture of what's involved in migrating to UKG Dimensions, along with a plan that maps an efficient and effective migration.

Minimize guesswork, maximize results

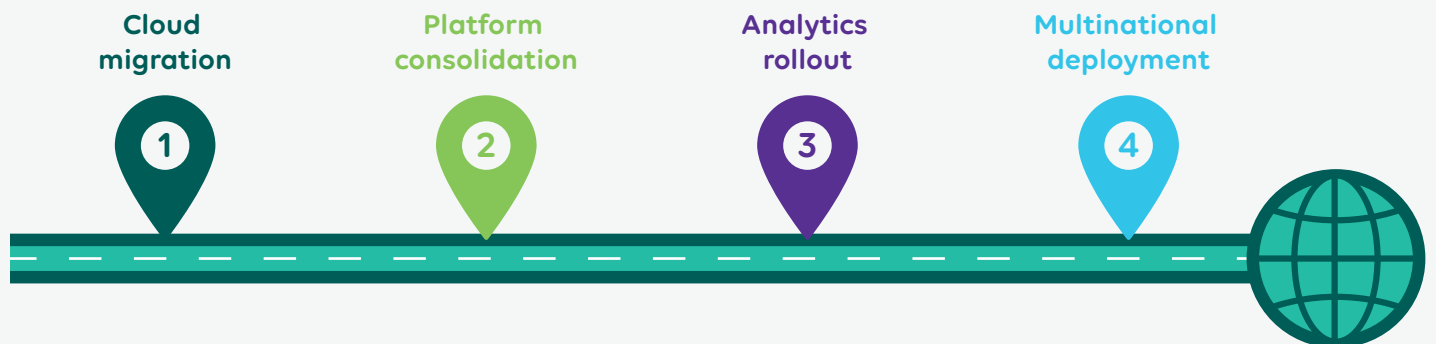

When it comes to something as significant — and as important — as your workforce, don't take the risk of going about migration alone. Our services team can help you assess where you stand today and develop a journey map and recommendations for a migration plan. And we can manage the entire process so your IT staff doesn't have to.
